Durham Cathedral Choir consists of 20 girl Choristers and 20 boy Choristers who sing separately alongside the 12 gentlemen of the Choir. Choristers typically join the Choir between the ages of 7 and 9, and remain until the age of 13. All Choristers attend The Chorister School, where they receive a discounted education as boarding pupils. Further means tested financial support can be provided. Choristers are able to participate in all of the extra-curricular activities that the School offers, including drama and sport. Choristers receive a first class musical education and experience performing to the highest standards in one of Britain's favourite buildings. The majority of the Choir's singing takes place during the daily worship of Durham Cathedral. However, the Choir also takes part in concerts, recordings, live broadcasts on the radio and television and international tours.

You are most welcome to take part and we look forward to meeting you!
